

School of Education Higher Education Administration Advisory Board

Created January 2018, the Advisory Board provides knowledge, expertise, strategic direction, and innovative guidance to the Higher Education Administration program. The Advisory Board's charge: To help us determine who we are, who we want to be, and where we want to go. Are we adequately preparing our students and graduates for the field? How can we expand our programs and markets and reach/recruit/admit more prospective students?
