

Missouri's Professional Development Plan

The goal of the Professional Development Plan is to improve instruction. This document is for organizing your learning and growth as you complete your student-teaching experience. Each plan is unique to the individual teacher candidate, and each plan is based on your self-assessment and on feedback from your university supervisor/faculty and cooperating teacher. The intent of this document is to support your professional growth through identification of Goals, Actions/Strategies, Resources/Support/Assistance, and intended Results that are of value to you as a growing professional.
