

## Permission to Register for Law Course At Washington University School of Law

Name Banner ID # Semester

A) Course Number and Title (Note: Only law courses are permitted)

B) Faculty Credit Hours

C) Course Description

- D) Is this your last semester? (If yes, a grade reported is required before your degree can be conferred and before certification will be provided to a bar licensing authority).
- E) I am requesting to enroll in this course per the SLU/Wash U Free Trade Agreement

The Free Trade Agreement is open to JD students who have completed at least 29 hours of course work. The agreement covers upper-division law courses at Washington University School of Law (Wash U) where the subject matter is not regularly offered by Saint Louis School of Law (SLU), or if regularly offered, must not be offered during the academic year in which the student seeks to take the course at Washington University. For students who will be away for one semester in an academic program that does not take place in St. Louis, the course to be taken at Wash U must merely be one that is not offered at SLU during the semester in which the student is in St. Louis.

The course must not duplicate, or substantially cover material covered in a course the student has already taken. The student's academic status and cumulative GPA must otherwise permit the student to take the course, if it were offered at SLU. The student must receive a grade of C or higher, or its numerical equivalent, or a pass in the cases of a pass/no-pass course, in order to receive academic credit for the course.

Students must obtain written permission from the Dean of Students of both schools prior to registration, and are limited to 1(one) course during law school under this agreement. Students intending to apply the course toward completion of a concentration must obtain permission to apply such courses toward the concentration from the faculty advisor for that concentration.

Enrollment, if approved, will be on a space-available basis, with the understanding that students at Wash U will have a priority as determined by that school's Dean's Office.

I understand that if there is a final exam, I am responsible for learning the Wash U exam procedures. I acknowledge that the grade that I earn in the above-requested course will not appear on my SLU transcript and will not be used in the calculation of my SLU GPA. SLU's transcript will indicate that I took the course. Wash U's transcript will indicate my grade. To receive credit for the course, I must request a copy of my Wash U transcript be sent to SLU.

I also understand that only if I earn a grade of C or higher will the credits for this course transfer. Wash U will grade my performance in the course using the same grading standards it applies to its students.

Only SLU can determine whether the course taken qualifies for credit. Approval from Wash U indicates only that the requested course comes within the coverage of the Free Trade agreement for this student.

I agree to read and abide by the honor code of SLU and Wash U.
