Collection Development

Subject librarians and faculty work together to develop the library collections. Submit material requests and suggestions about the collections to your subject librarian or use the Purchase Suggestions link on the SLU Libraries website.

http://lib.slu.edu/about/feedback/purchase

We offer:

- ~ Course related library instruction*
- ~ In-depth research consultations for students and faculty
- ~ Online research guides*
- ~ Plagiarism prevention strategies
- ~ Citation management consultations

*Please contact your subject librarian at least two weeks in advance to allow adequate preparation time.

Welcome to Saint Louis University

Subject Librarians

Each subject librarian works closely with specific academic departments and programs to develop the library collections and to support course instruction and faculty research.

the ULTIMATE search engines

Subject Librarians

Subject librarians partner with faculty to enable students to identify, evaluate, acquire, and apply information responsibly, in their academic, professional, and personal lives.
