UNIVERSITY WRITING SERVICES

In response to COVID-19 and to promote the safety and well-being of all students and writing consultants, University Writing Services (UWS) will **not be holding in-person appointments** at any of our on-campus locations – including the Busch Student Center Suite 331, Pius XII Memorial Library 320, School of Nursing Suite 114, Grand Hall 152, and Spring Hall 131 – until further notice. They are temporarily closed.

Alternatively, for **SPRING 2021**, UWS is offering Zoom Video Conferences and Online (Asynchronous) Consultations. These FREE services begin on Thursday, January 28th and will continue until Tuesday, May 18th. UWS will be closed on February Break, March Break, and Good Friday.

UWS will be 'open' remotely Sunday through Friday with morning, afternoon, and evening options. All appointments will take place in CT and can be scheduled through EAB Navigate located under the Tools tab of the mySLU portal. Select "Virtual (University Writing Services)" as the location to see all of the consultants' availabilities. Maximum of 3 appointments per week. No back-to-back appointments permitted. For last-minute 'walk-ins' (within 2 hours), email writing@slu.edu.

Zoom Video Conferences will take place live (in real time) using audio-video conferencing software. Both you and the writing consultant will be able to look at your writing project simultaneously by screen sharing, use the in-meeting chat function, and make annotations. These conferences can be conducted using a desktop computer/laptop [preferred] or tablet/smartphone app [limited functionality]. To communicate with the writing consultant, your device must have microphone accessibility [required]. Webcam accessibility is *strongly recommended* [optional]. No experience with Zoom needed.

If you select Zoom Video Conference when making an appointment on EAB Navigate, remember to save the link to the writing consultant's virtual meeting room which can be found under "URL / Phone Number" on the final confirmation page. The same link will also be automatically emailed to your SLU Outlook account for your convenience. You must sign into Zoom on the day of your scheduled appointment to 'meet' with your consultant at the designated time.

Please remember that it is the expectation of UWS that students treat the virtual environment the same as in-person environments. We expect students to be *appropriately attired* throughout the entire duration of their appointment.

Online (Asynchronous) Consultations will take place remotely via email (not Zoom). Asynchronous means that the student and consultant will <u>not</u> be online at the same time; in other words, you will be asked to complete and attach your current writing project (as a .doc or .docx file) to an Online Submission Form prior to your scheduled appointment. An experienced writing consultant will then download your project and provide feedback on 4-7 pages using Microsoft Word's built-in comment function. The consultant will start reading in addition to making suggestions about how to improve your project at the time of your appointment but may not send you an email until later that day.

If you select Online (Asynchronous) Consultation when making an appointment on EAB Navigate, remember to first copy and paste the link to the Online Submission Form into a new tab on your internet browser and then hit "Schedule" on the bottom of the screen. You must complete the form before your designated appointment time; otherwise, you will be marked as a "no show" and will need to reschedule. After completing all the required steps, you should receive 2 email confirmations from EAB Navigate and Qualtrics. No further action needed. A writing consultant will send you feedback via email by 10 pm the day of your appointment.

We want you to leave your Zoom Video Conference and/or Online (Asynchronous) Consultation with a greater sense of purpose and confidence.

ZOOM VIDEO CONFERENCE

Logging into Zoom:

 You can access Zoom under the Tools tab of the mySLU portal or by going to <u>slu.zoom.us</u> and signing in with your SLU Net ID and password.

Joining the Zoom Video Conference:

- All booked appointments will be held in Central Time (CT).
- If you select Zoom Video Conference when making an appointment on EAB Navigate, remember
 to save the link to the writing consultant's virtual meeting room which can be found under "URL /
 Phone Number" on the final confirmation page. The same link will also be automatically emailed
 to your SLU Outlook account for your convenience. You must sign into Zoom on the day of your
 scheduled appointment to 'meet' with your consultant at the designated time.
 - You may also receive an email from your writing consultant with a Zoom invitation shortly before or immediately at the start of your appointment. This will serve as a reminder and/or as a contingency plan if there are any technical issues. For these reasons, it is helpful to have your SLU Outlook account already open as you approach the beginning of the hour on the day of your scheduled appointment.
- When it is time for your appointment, click on the writing consultant's Zoom Meeting ID. This will
 open a new screen which will automatically download Zoom (if it is your first time) or launch the
 audio-video conferencing software (if you have used it before).
- Regardless if you arrive early or right on time, you will automatically be placed into a waiting room. The screen will automatically change when the writing consultant initiates the conference.

Note: If the writing consultant does **NOT** email you with the Zoom Meeting ID or initiate the conference **after 5 minutes** past the start time of your appointment, please send an email to <u>writing@slu.edu</u>. The UWS administrative team will prioritize your issue during regular business hours of operation. They will do everything they can to resolve the problem by calling the writing consultant and/or reassigning your appointment to another staff member (based on availability).

Preparing for Your Zoom Video Conference:

- Just like an in-person appointment, you will need the following materials:
 - The professor's prompt and/or grading rubric (if applicable),
 - your current writing project in a folder that can easily be found on your device, and
 - o any links to outside resources that you might want to discuss with the consultant.

Using the Zoom Video Conference Built-in Functions:

Share Screen

 Click this button to select the window, tab, or program on your device that you would like to share with your writing consultant.

• Whiteboard (edit vs. annotate)

- This option only appears after clicking the Share Screen button.
- o Only the person who shares the screen can make edits to the document.
- The writing consultant will be able to see your current writing project and make annotations (on top of the shared screen) which can be erased as needed. Make sure to <u>save</u> the annotations before they are erased and/or prior to the end of the appointment.

Chat

- Comment or ask questions without talking aloud.
- Link to outside resources.
- Send the document to the writing consultant if Share Screen does not work.

Troubleshooting:

- What happens if you arrive early/on time and you are placed inside the waiting room?
 - If you join first and the writing consultant is busy or has not yet arrived, just wait a few moments. The writing consultant will still be able to join the meeting after you.

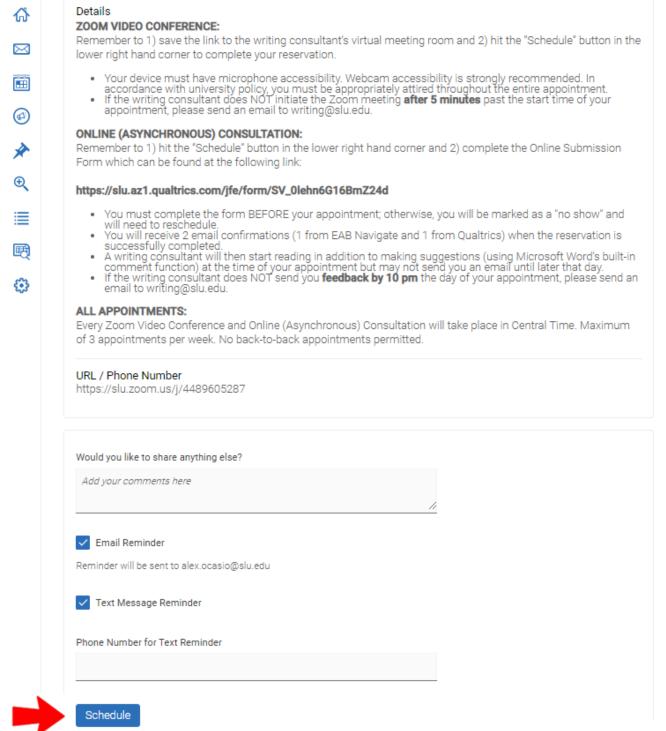

Note: If the writing consultant does **NOT** email you with the Zoom Meeting ID or initiate the conference **after 5 minutes** past the start time of your appointment, please send an email to writing@slu.edu. The UWS administrative team will prioritize your issue during regular business hours of operation. They will do everything they can to resolve the problem by calling the writing consultant and/or reassigning your appointment to another staff member (based on availability).

- If you cannot hear or see yourself/the writing consultant?
 - Check the lower left hand corner of the tool bar on the meeting screen to make sure your video and microphone are turned on.
 - Send a message to the writing consultant through the chat function if you are unable to hear or see them.
- If you accidentally leave the appointment?
 - o Rejoin the meeting because the writing consultant will still be there.
- Any other issue that arises?
 - Keep your SLU Outlook account open during your appointment so that you can email the writing consultant (if needed) to let them know about any issues you are experiencing with Zoom.
