*These candidates have expressed their desire to run as a group, however the candidates will be voted on an individual basis, not as a group.

All SLU-Madrid registered students (Madrid based or online) will be able to submit their votes online between October 26-November 1 providing their Full name and Banner IDs. Names and Banner IDs will be checked: they must coincide with the same person and will only be able to vote once. Faculty and Staff cannot vote. Candidates may campaign during the voting period as well.

The results of the elections will be published 48 hours after closing the polls.
