**Academic Honesty:** Academic integrity is honest, truthful and responsible conduct in all academic endeavors. The mission of Saint Louis University is “the pursuit of truth for the greater glory of God and for the service of humanity.” Accordingly, all acts of falsehood demean and compromise the corporate endeavors of teaching, research, health care, and community service through which SLU fulfills its mission. The University strives to prepare students for lives of personal and professional integrity, and therefore regards all breaches of academic integrity as matters of serious concern.

The full University-level Academic Integrity Policy can be found on the Provost's Office [website](#). Additionally, SLU-Madrid has posted its [academic integrity policy online](#). As a member of the University community, you are expected to know and abide by these policies, which detail definitions of violations, processes for reporting violations, sanctions and appeals.

Your instructor will review these matters during the first weeks of the term. Please direct questions about any facet of academic integrity to the instructor, the chair of the department of your academic program or the Academic Dean of the Madrid Campus.

**AI Policy:** The university's goals include fostering students' critical thinking, creativity, reflection and problem solving. Therefore, all students must demonstrate originality in the authorship of their work and properly cite the sources consulted. While proper use of AI may prove to be a valuable teaching tool for both teachers and students, improper use/abuse of AI might be considered plagiarism and penalized as such. Please consult with your instructor if you have questions about whether or not you can use AI tools such as ChatGPT in your course. In order to develop forms of assessment that will allow students to be assessed in a reliable manner and to provide effective and enhanced support for their learning, Departments/instructors reserve the right to randomly conduct Oral Exams as a second stage of an assessment for which the first stage is the submission of a written assignment.
