Thesis: A Critical Analysis of Corporate Constitutional Rights  
St. Louis, MO USA
- 2005-2008 M.S.W. Social Work, Washington University (certificate Research Specialization)  
Thesis: Risk Factors and Buffers for Negative Child Outcomes in Families with Incarcerated  
Fathers  
St. Louis, MO USA
- 2008-2012 Ph.D. Social Welfare Policy, University of California Los Angeles (UCLA)  
Dissertation: Property Manager Discretion in Permanent Supportive Housing  
Committee Members: Yeheskel (Zeke) Hasenfeld (Chair), Ralph Emerson, Stuart Kirk, A.E.  
(Ted) Benjamin  
Los Angeles, CA USA

**ACADEMIC POSITIONS/EMPLOYMENT:**

- 1999-2000 Lab Assistant, School of Engineering, University of Pennsylvania, Philadelphia, PA. Projects  
related to organizing meetings for the Institute of Electrical and Electronic Engineers and  
Sunfest Program and literature reviews of quantum electrodynamics. (PI: Ralph Showers)
- 2004-2005 Research Assistant, Department of Applied Educational Psychology, Webster University, St.  
Louis, Missouri. Project related to coding of qualitative data editing manuscript for a book titled,  
"The Thoughts of Youth: An International Perspective on Adolescents' Ideal Persons." NY:  
Information Age Publishing. (PI: Deborah Stiles)

- 2005-2006 Research Assistant, Department of Political Science, Washington University, St. Louis. Project related to confirmation politics and legitimacy of the US Supreme Court. (PI: James Gibson)
- 2005-2006 Research Assistant, School of Social Work, Washington University, St. Louis. Project related to collectivism and private ownership in Africa. (PI: Carolyn Lesorogol)
- 2006-2009 Research Assistant, School of Social Work, Washington University, St. Louis. Project related to Medicaid access among immigrants. (PI: Yunju Nam)
- 2009-2012 Research Assistant, School of Public Affairs, Department of Social Welfare, University of California, Los Angeles. Project related to permanent housing facilities in Los Angeles' Skid Row. (PI: Yeheskel (Zeke) Hasenfeld)
- 2011-2012 Health Services Administrator, Veterans Administration, Los Angeles, CA. Project related to homeless veterans. (PI: James McGuire)
- 2011-2012 Consultant, Public Counsel, Los Angeles, CA. Project related to evaluating Skid Row Legal Clinic.
- 2012-2015 NIDA T32 Postdoctoral Scholar, Washington University School of Medicine, Department of Psychiatry, St. Louis, MO. (PI: Rumi Kato Price)
- 2012-present Health Science Specialist (Work without Compensation), Department of Veteran Affairs Research and Development Service, St. Louis, MO. (PI: Jeffrey Scherrer, Rumi Kato Price)
- 2013-2015 Consultant, Organize Missouri and the City of St. Louis. Project related to evaluation of implementation of participatory budgeting practices.
- 2015-present Assistant Professor, St. Louis University, Department of Family and Community Medicine.

**HONORS AND AWARDS:**

- 2005 E.F. Schuemaker Fellow, Washington University, St. Louis, MO
- 2007 Ameren UE Stipend Award for Outstanding Work, Washington University, St. Louis, MO
- 2008-2010 UCLA University Fellowship
- 2008 UCLA Chancellor's Fellowship
- 2009 UCLA Summer Mentorship Fellowship
- 2010-2011 Leon & Toby Gold Fellowship
- 2010-2011 Lorenz Endowed Fellowship
- 2010 Interdisciplinary Social Science Travel Fellowship
- 2013 American Psychopathological Association Travel Fellowship

**EDITORIAL RESPONSIBILITIES:**

- 2012 Reviewer (ad-hoc), American Journal of Public Health
- 2013 Reviewer (ad-hoc), Gerontology
- 2014 Reviewer (ad-hoc), Medical Care
- 2014 Reviewer (ad-hoc), Journal of Gerontological Social Work
- 2014-2015 Reviewer (ad-hoc), Housing Policy Debate
- 2015-present Reviewer (ad-hoc), Psychological Medicine
- 2015 Reviewer (ad-hoc), Drug and Alcohol Dependence
- 2015 Reviewer (ad-hoc), Family Practice
- 2015 Reviewer (ad-hoc), Plos One

2016 Reviewer (ad-hoc), Journal of Community Medicine  
2016 Reviewer (ad-hoc), Journal of Community Psychology  
2016-present Reviewer (ad-hoc), Journal of General Internal Medicine  
2016 Reviewer (ad-hoc), Psychiatric Services  
2017 Reviewer (ad-hoc), Journal of Interpersonal Violence  
2017 Review (ad-hoc), Family Physicians Inquiry Network  
2017 Reviewer (ad-hoc), American Journal of Managed Care  
2017 Reviewer (ad-hoc), BMC Health Services Research

#### **GRANT REVIEW COMMITTEES:**

2017 Reviewer (ad-hoc), Washington University Institute of Public Health  
2018 Reviewer (ad-hoc), Robert Wood Johnson Foundation

#### **PROFESSIONAL SOCIETIES AND ORGANIZATIONS:**

2008-2009 National Association of Social Workers  
2008-2009 Missouri Association of Social Workers  
2010-2011 International Society of Third Sector Research  
2013-present College on Problems of Drug Dependence  
2014-present Society of Social Work and Research  
2015-present North American Primary Care Research Group  
2015-present Society of Teachers of Family Medicine

#### **CONSULTING RELATIONSHIPS AND BOARD MEMBERSHIPS:**

2011-2012 Consultant, Public Counsel, Los Angeles, CA. Project related to evaluating Skid Row Benefit Clinic  
2010-present Advisory Board member – Community Arts and Movement Project, St. Louis, MO  
2013-2015 Consultant, Organize Missouri and the City of St. Louis. Project related to evaluation of implementation of participatory budgeting practices  
2013-present Advisory Board member – Mary Meachum Freedom Crossing – Confluence Greenway, St. Louis, MO  
2014-present Advisory Committee member – Members in Training, College on Problems of Drug Dependence, Richmond, VA  
2015-present Research Scientist – Community Academic Partnership on Addiction – Washington University Brown School of Social Work, St. Louis, MO  
2015-present Consultant, Behavioral Health Network, St. Louis, MO. Project related to evaluating text-messaging program to facilitate treatment bed allocation for mentally ill youth  
2015-present Consultant, Integrated Health Program, St. Louis, MO. Projects related to community care resource network outreach program, NCAP and Community Resource Coordinator program.  
2016-present Health Policy Working Group, Society of Teachers of Family Medicine  
2016-present Practice Based Research Network Working Group, North American Primary Care Research Group  
2015-present Program Director, Practice Based Research Network ARCHNet

#### **UNIVERSITY COMMITTEE WORK**

2015-present SLU Interprofessional Community & Economic Development Initiative for formerly Incarcerated Populations.  
2017-present SLU IRB Board member

#### **RESEARCH SUPPORT**

## Governmental:

- 2018-present Consultant, Genetic Counseling Service – Veterans Administration Startup Grants.  
Responsibilities: Qualitative Data Analysis
- 2017-present Consultant (15% effort). Patient Centered Outcomes Research Tier III Research Project.  
Responsibilities: provide research expertise during patient stakeholder meetings, develop research proposal to be submitted to Federal grant mechanism.
- 2016-2017 Consultant (5% effort). Patient Centered Outcomes Research Tier II Research Project.  
Responsibilities: provide research expertise during patient stakeholder meetings, develop research questions for Tier III review.
- 2016-present Co-investigator (5% effort) (ERS 20272). HRSA Behavioral Health Workforce Education and Training. Title: Primary Care Training and Enhancement Program (PI: Jacobs).  
Responsibilities: evaluate implementation of new integrated behavioral training program for medical family therapy doctoral students and family medicine residents.
- 2015-present Co-investigator (24% effort). HRSA Primary Care Training Centers (Practice Based Research Network) (PI: Schneider). Responsibilities: establish Practice Based Research Network at Saint Louis University which is focused on family medicine.
- 2016-present Co-investigator (20% effort). Research Project Grant (NIMH PA-13-302, R01, PI: Dr. Jeffrey Scherrer). Title: Effects of PTSD Treatment on Health Behavior, Cardiovascular and Metabolic Disease. Responsibilities: IRB approvals, lead systematic review, participate in publication and dissemination efforts. (submitted 10/16/2015)
- 2012-2015 T32 Institutional Training Grant in Epidemiology, Services and Prevention Research (NIDA T32DA007313, PI: Dr. Rumi Price). Responsibilities: underwent training in the areas of drug abuse, epidemiology, services and prevention, and developed scientific knowledge with clear application to practice and public policy.
- 2013-2014 Co-Investigator (15% effort). Family as a Total Package: Restoring and Enhancing Psychological Health for Citizen Soldiers and Families (DOD W81XWH-11-2-0108, PI: Dr. Rumi Price). Responsibilities: wrote progress reports, assessed data quality, analyzed data, interviewed and recruited participants and drafted manuscripts

## Non-Governmental:

- 2006-2009 Graduate Research Assistant (10% effort). Welfare Reform and Elderly Immigrants: Public Assistance Eligibility Restrictions, Economic Wellbeing and Health. Washington University Center for Aging Pilot Research Projects Grant (PI: Dr. Yunju Nam). Responsibilities: collected, analyzed and cleaned state administrative data, data through the Kaiser foundation, and US Census data. Interviewed state officials, performed literature reviews, drafted manuscripts.
- 2009-2012 Graduate Research Assistant (25% effort). Organizational Boundaries in Permanent Supportive Housing. University of California, Los Angeles Community Partnership Grant (PI: Yeheskel Hasenfeld) Responsibilities: collected ethnographic data (observation, individual and group interview), coding, data analysis, provided formal evaluation of multi-site organization which included 15 facilities and over 1000 affordable housing units for the homeless.
- 2013-2014 Principle Investigator (50% effort). Care Communities: A Time Bank Program to Build Supportive Community Networks Among Women in Recovery (CUHRP1303). Responsibilities: built collaborations with local agencies servicing groups with substance use issues, conducted focus groups, transcribed and analyzed qualitative data, wrote additional grant proposals
- 2015-present Co-investigator (5% effort). Parkway School District Youth Substance Use Community Assessment (Missouri Foundation for Health). Responsibilities: supervise research staff in completing evaluation of community collaboration efforts.
- 2016-present Co-Principal Investigator (5% effort).(ERS 19895) American Academy of Family Physicians. Responsibilities: IRB, provider focus groups, patient interviews, data analysis, manuscript preparation for feasibility study of trauma screening in primary care

## PENDING RESEARCH PROPOSALS

### Non-Governmental:

### Governmental:

- 2017 Principal Investigator (75% effort). Mentored Research Scientist Development Award (K01, PAR-13-245, resubmission).
- 2017 Co- Investigator (20% effort). Strengthening the HIV-Pre-Exposure Prophylaxis (PrEP) Care Continuum through Behavioral Social and Implementation Science (NIDA PA-17-103, R21). Title: Investigating HIV/AIDS screening and PrEP care coordination through Implementation Science. Responsibilities: IRB approvals, lead qualitative analysis, publication and dissemination efforts. (submitted 9/7/2017, ERS: 21328)
- 2017 Co- Investigator (15% effort). Behavioral and Integartive Treatment Development Program (NIDA PA-16-073, R34). Title: A formalized and integrated clinical supervision platform to maximize substance use disorder treatment fidelity. Responsibilities: IRB approvals, lead qualitative analysis, publication and dissemination efforts. (submitted 7/10/2017, ERS: 21264)
- 2017 Consultant (15% effort). Cooperative Agreements to Implement Zero Suicide in Health Systems. Subcontract with Katy Trail Community Health Organization with Sponsor SAMSHA HRSA Center for Integrated health Solutions (submitted 7/13/2017, ERS: 21281).

## UNFUNDED RESEARCH PROPOSALS

### Governmental:

- 2015 Co-investigator (30% effort). Improving Delivery of HIV Prevention and Treatment through Implementation Science and Translational Research (NIDA PA-14-131, R01, PI: Dr. David Patterson). Title: HIV/STI Prevention in Real World Addiction Agencies serving African American Clients. Responsibilities: IRB approvals, lead qualitative data collection and analysis, lead survey data collection and analysis, participate in publication and dissemination efforts. (submitted 12/24/2015)
- 2015 Co-Principal Investigator (30% effort). Secondary Analyses in Obesity, Diabetes and Digestive and Kidney Diseases (NIDDK PA-15-169, R21, Co-PI: Eric Westhaus). Title: Hot Spots of Disparity and Violence and the Trajectory of Diabetes. Responsibilities: IRB approvals, lead data collection and geocoding efforts, lead publication and dissemination efforts. (submitted 10/16/2015)
- 2014 Co-investigator (50% effort). Women and Sex/Gender Differences in Drug and Alcohol Abuse/Dependence (NIDA PA-14-037, R03). Title: Sex differences in post-trauma substance use trajectories: The protective role of helpseeking (NIDA T32DA007313, PI: Dr. Rumi Price). Responsibilities: IRB approvals, clean data, data analysis, lead publication and dissemination efforts. (submitted: 10-16-2014)
- 2013 Co-Investigator (30% effort). Prevention and Health Promotion Interventions to Prevent Alcohol and Other Drug Abuse and Associated Physical and Psychological Health Problems in US Military Personnel, Veterans and Their Families (NIDA RFA-DA-13-013, R34). Title: Group-Motivational Interviewing (MI) Substance Abuse Prevention-Intervention Pilot Trail for the National Guard. (DOD W81XWH-11-2-0108, PI: Dr. Rumi Price). Responsibilities: conduct focus groups, refine MI based group prevention-intervention, assist in implementing overall study, lead qualitative analysis of focus group data during pilot phase of project, lead in some publication and dissemination efforts. (Submitted 3/31/2013. Overall Merit Score: 2.2).

2013 Co-Investigator (70% effort). Applied Research and Advanced Technology Development Psychological Health Award (Department of Defense W81XWH-13-MOMJPC5-ARATDPHA). Title: Negotiation and Management of Family Life: A National Guard Couple Follow-up Study (FAMPAC-C). Responsibilities: contribute to overall design and implementation of the study which involved the use of ecological momentary assessment (EMA) of couple interactions, coding of qualitative feedback on interactions by couples, dyadic statistical analysis, lead in some publication and dissemination efforts. (Submitted 4/24/2014)

Non-Governmental:

2016 Principle Investigator, (30% effort). Robert Wood Johnson Foundation Policies for Action: Policy and Law Research to Build a Culture of Health. Title: Implementing Social Security Disability Policy: The Role of Primary Care Physician Discretion. Responsibilities: interview subjects, data analysis, provide staff training and supervision at agency, lead publication and dissemination efforts. (Submitted 2/15/2016)

2015 Principal Investigator, (30% effort). Peter McManus Charitable Trust Grants for Research on Causes of Alcohol and other Drug Addiction. Title: The Role of Neighborhood Environments on Substance Use in African Americans Before the Age of 18 and Currently. Responsibilities: collect data, geocoding, data analysis, lead publication and dissemination efforts. (Submitted August 1, 2015)

2015 Principle Investigator, (30% effort). Robert Wood Johnson Foundation: Solutions for Low Resource Communities. Title: The Expansion of Community Resource Coordinators to Rural Critical Access Hospitals. Responsibilities: interview subjects, data analysis, provide staff training and supervision at agency, lead publication and dissemination efforts. (Submitted October 1, 2015)

2015 Principal Investigator (20% effort). St. Louis Health Foundation Local Health Pilot Grants. Title: Staying Strong: Stigma Reduction for At-Risk African American Youth. Responsibilities: interview subjects, data analysis, provide staff training and supervision at agency, lead publication and dissemination efforts. (Submitted March 1, 2015)

2014 Principle Investigator, (30% effort). CALDAR Pilot Study Support Program for Emerging Investigators in Longitudinal Substance Abuse Research. Title: Caring Communities: A Demonstration Alumni Program for Low-Income Women Graduating from Inpatient Treatment. Responsibilities: interview subjects, data analysis, provide staff training and supervision at agency, lead publication and dissemination efforts. (Submitted January 31, 2014, funding conditioned on matching program funding)

**SOCIAL SERVICES TITLE AND RESPONSIBILITIES/EMPLOYMENT**

1996-1997 Headstart Facility Manager, Human Development Corporation, St. Louis, MO. Responsibilities: Taught low income children (ages 3-5) basic social interaction skills, language skills, cognitive skills and language development skills, supervise staff of 4, write reports of student progress.
