## Application for Mark Garcia Scholarship
## 2016-2017 Academic Year

*The Mark Garcia Scholarship was established in 1990 in honor of Mark Vincent Garcia, who died at age 23 in the neurological intensive care unit of SLU Hospital after suffering an aneurysm and cerebral hemorrhage. Mark worked in the lab at SLU Hospital for four years and had plans to enroll in the BSN program at SLU School of Nursing before his untimely death. The Scholarship is a tribute to both Mark Garcia whose dream was to care for people through nursing, and to the nurses who cared for Mark in the ICU. Through this Scholarship, Mark Garcia's name continues to live at a place that meant the world to him.*
