

# **The Peanut Butter Project**

## **Global Awareness Luncheon**

**October 10, 2016**

**12:00-1:00**

**Learning Resource Center Auditorium A**

**Keynote Speaker**

**Indi Trehan, MD, MPH, DTM&H**

Assistant Professor

Department of Pediatrics

Washington University School of Medicine

Dr. Trehan serves as a faculty adviser to the Department of Pediatric's Global Health Residency Pathway. He will discuss the problem of malnutrition in general and how with very little clinical training or expertise, we can all take a very practical approach to caring for malnourished children.

**Julie Kennedy, RN**

2016 Graduate of SLU-SON

Delta Lambda Chapter Member

Ms. Kennedy will describe her year of service in Malawi working for the Peanut Butter Project.

Sponsored by: Sigma Theta Tau Delta Lambda Chapter, Saint Louis University Campus Ministry and

Saint Louis University School of Nursing Research Committee
