

SAINT LOUIS UNIVERSITY VISTING STUDENT RESOURCES

MySLU Portal – myslu.slu.edu

Every student at Saint Louis University is assigned a nine-digit student ID number, frequently referred to as a “Banner ID” number. You will need this number for a variety of purposes, including signing up for SLU Google email and Google Apps, and checking the registration of your classes using the Banner Self-Service utility.

Your username is the part of your email address before the @ symbol. For example, if your email address is smithj@slu.edu, your username is: smithj. Your temporary password is set to the last six digits of your Banner ID preceded by the letters “Id”; however, this password will expire, and must be replaced with a password you create.

To initiate your account, log on at password.slu.edu using your username, and your temporary password. Click “Change Password” on the left side of the screen and enter a new password according to the guidelines shown. Your password must be a combination of letters and at least one number.

Now you go on to myslu.slu.edu and click on the Tools tab. On the Tools page, you will see the Google Apps link. Click it, and the Google Apps screen will open. Login using your username and password.

Banner Self-Service

SLU Banner Self-Service is a comprehensive system that manages many aspects of university business, including classroom location, financial aid, registration, student information, records, and more. To access Banner, go to myslu.slu.edu, and log in using your SLU email user name and the last six digits of your Banner ID number. Instructor contact information can also be found using Banner Self-Service (syllabi can be requested from faculty).
