*Non-faculty members are not eligible to vote on curriculum proposals but may vote on all other committee proposals.

**Because of the centrality of CAS courses to the core curricula of all colleges and schools, the CAS Dean and Associate Dean for Undergraduate Education maintain permanent membership on the committee.

Note: Should an academic center be authorized to offer undergraduate degrees, a center representative will be added to the committee membership.

Note: Committee members may commission a designee(s) to participate fully (including voting) in the committee member's absence.

Note: With the UAAC chair's approval, any UAAC members may invite other faculty, staff, or students to attend committee meetings as non-voting consultants to offer expertise as needed.
