### FACULTY RESEARCH OPPORTUNITIES

Our faculty are international experts with a wide range of research interests, including:

- Assessment and treatment of problem behaviors
- Behavioral interventions for children with emotional behavioral disorders
- Translational applications of behavior analysis in schools
- Clinical behavior analysis for treatment of addictions
- Parent training and support services

\*Persons seeking BACB certification must complete 333-334 clock hours of ABA field practicum/semester under the supervision of a Board Certified Behavior Analyst (BCBA). 5 hr. /week need to be research under the supervision of Dr. A. Wilson. Fall is dependent upon initial meeting with practicum liaison and date of acceptance.

\*\*Thesis will determine program length. To pass 3 credits, you must write a manuscript and orally propose your project to a committee. To pass the next 3 credits, you must complete data collection and analysis, write a manuscript and orally defend your project. There is a 4-year limit to complete the degree.
