SAINT LOUIS UNIVERSITY™

This roadmap is a recommended semester-by-semester plan of study for this program. The plan shown assumes full-time enrollment. Courses and milestones designated as critical (in boldface and shaded areas) must be completed in the semester listed to ensure a timely graduation. The semester a course is offered is subject to change. Any deviation from this plan will likely result in extending the length to degree completion. Self-registration requires electronic approval from your faculty advisor to assure compliance to this plan. Failure to do so places completion of your degree in jeopardy.
