

Fall 2023 Final Exam Schedule

All final exams for in-person courses and online courses (synchronous) will be at the times listed below. Locate the day and time your class meets during the semester within the table below, then follow the row to the left (date) and column to the top (time) to locate the time of your final exam. For example, the final exam for a course that meets Tuesday/Thursday from 11a.m.-12:15 p.m. is Tuesday, December 12, from noon-1:50 p.m.

All exams for online courses without meeting times (asynchronous) will be online and due no earlier than the day listed at the left of the table that corresponds with the box at the right of the table where the first letter of your instructor's Last/Family Name is listed. For example, the final exam for an asynchronous course with an instructor whose last name begins with P will have a due date no earlier than Wednesday, December 13.

Students should refer to their course syllabi to confirm their Final Exam date/time and specific instructions.
