

*The Saint Louis University Research Institute and
Washington University in St. Louis*

cordially invite you to

“The Complex and Vital Relationship Between Basic Science and Innovation”

featuring

Holden Thorp

Holden Thorp is the newly announced editor-in-chief of the *Science* family of journals. *Science* has the largest paid circulation of any peer-reviewed, general science journal in the world. Prior to this appointment, Thorp served six years as Provost and Executive Vice Chancellor for Academic Affairs at Washington University in St. Louis.

Friday | October 25th | 4:00 pm

Doors open at 3:15 pm. A reception will follow the event.
