

The Saint Louis University Research Institute

cordially invite you to

“The Economic Case for Diversity in Innovation and STEM”

featuring

Pamela McCauley

Dr. Pamela McCauley is Program Director at the National Science Foundation, as well as a Professor and Director of the Ergonomics Laboratory at the University of Central Florida. She is a biomechanics expert, an internationally acclaimed keynote speaker and a popular author on a lifelong mission to increase diversity in innovation and STEM.

Thursday | November 14th | 1:00 pm

The talk will begin at 1:15 pm. Refreshments will follow the event.
